

Call for Papers:

II Conference on Economics, Applied Statistics and Social Science
Lima-Peru, 25-27 September 2024.

The Faculty of Engineering Economics, Statistics and Social Science (FIEECS) cordially invites you to submit manuscripts for a special issue on Economics and Applied Statistics in the IECOS: Journal of Economics, Applied Statistics and Social Science. This special issue is launched in conjunction with the II Conference on Economics, Applied Statistics and Social Science. The IECOS: Journal of Economics, Applied Statistics and Social Science is sponsored by the FIEECS of the National University of Engineering.

We encourage submissions from a wide range of contributors, including **researchers** and **practitioners** from **academia, industry, students, and government agencies**. We welcome papers on various topics related to Economics, Applied Statistics, and Social Science.

We encourage submissions in the following formats:

Research Papers: Innovative case studies (focusing on, e.g., novel methodologies or real-world impact), empirical and theoretical papers, and review papers.

Other Contributions: Essays (e.g., policy analysis) and practical applications.

Articles are 6000-8000 words long and written in spanish or english. Authors must submit their papers in a file in word or PDF by e-mail to iecos@uni.edu.pe¹.

Thematic areas

We invite submissions of both empirical and theoretical papers in the following areas:

- **Economic Policy**
- **Government and Public Administration**
- **Sustainable development**

¹ Please use the text “**Call For Paper - CONIEECS 2024**” in the subject field when submitting papers by email.

- **Citizen's rights**
- **All research areas related to applied statistics**
- **All research areas related to Finance**

If you have any queries, please feel free to contact the managing editor of the journal.

Awards

Presenting authors will be awarded a travel grant to cover economy class air fare, up to a maximum of USD 1500. Accommodation will be provided by the organizers for 2 nights². The conference will be recognizing outstanding contributions with the following awards:

- **Best Paper Awards in Economics**
- **Best Paper Awards in Statistics**
- **Best Paper Awards in Social Science**

The three best papers selected in this call for papers, under the double-blind peer review modality, will be published in the IECOS journal of the FIEECS. The authors will be notified in a timely manner about the results of this evaluation. Selected winners will be presented with the opportunity to present their works in talk sessions at the upcoming II CONIECS.

Important Dates

June 15, 2024: Deadline for paper submission.

July 15, 2024: Winners papers. Paper Acceptance/Rejection Notification.

September 27, 2024: Conference date

For more information and paper submission, please visit <https://conieecs.uni.edu.pe/>

² Please ensure that your submissions adhere to the conference guidelines and formatting instructions provided on the conference website.
